

Quick Guide My Commitments - ITR App

Examples of what you can discover

- See trends of commitments over time.
- Compare current and previous commitments to actual delivery/performance.
- See Unified Funding System (UFS) commitments from reporting year 2023.

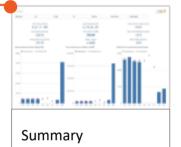

Things to note

- Where no mix of provision (MoP) commitments exist; actual delivery information is reported; however
- Actual educational performance indicators are only available where performance commitments exist. Additional performance indicators are available in the My Performance - ITR app.
- Performance commitments are only available at individual reporting TEO level and cannot be aggregated to the sector level.

Information provided by each sheet

Overall summary of commitments and actual delivery. This includes UFS commitments for reporting year 2023

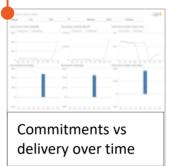

onwards.

Comparison of TEO commitments against actual delivery including UFS commitments by study type, mode of delivery, subject category and NZQCF level.
