

# Phriendly Phishing Road Map

5 mins

## Step 2: Sign-up

Sign up for Phriendly Phishing e-learning

Sign up for Phriendly Phishing:

Phriendly Phishing will set up your account.

Tip

**Don't** leave your registration until the last minute.

**Do** email CSTS if you have any questions:  
[CyberSecurityTertiarySector@tec.govt.nz](mailto:CyberSecurityTertiarySector@tec.govt.nz)

## Step 4: Ongoing support

Start your e-learning and get guidance along the way

Once you're all set up, start learning! Phriendly Phishing will continue to support you with your account.

You can expect:

- ongoing technical support if you need it
- contact from Phriendly Phishing at least twice a year to make the most of your settings and learning
- a monthly Phriendly Phishing newsletter
- webinars to learn more about the Phriendly Phishing Platform and cyber security risks facing organisations
- Phriends and Phamily content to share with other people in your life.

10 mins

## Step 1: Discovery

Learn all about phishing and Phriendly Phishing e-learning

Watch the introductory videos

- What to expect from Phriendly Phishing  
 <https://phriendlyphishing.wistia.com/medias/uujymif95m>
- Sneak peek into the courses  
 <https://insight.phriendlyphishing.com/en-au/phriends-phamily-video-education>

Or come along to the Phriendly Phishing introductory sessions:

~2 hours

## Step 3: Onboarding

Set up the platform

Get started!

Jump right in when your account is created or join an online information session for guidance (Teams invites are sent when you sign up)

1. Add your staff
2. Whitelist the Phriendly Phishing platform
3. Add the Phish report button (optional)
4. Phriendly Phishing will schedule your baseline, campaigns and learning journey
5. Communicate with your staff about Phriendly Phishing after the baseline has finished

Tip

Follow the Onboarding Guidance

You can customise your own learning journey

Come to the instructional webinar
